

Chris Schupp  
Executive Managing Director

“When we looked to expand our bank into the Frisco market, we needed to find a real estate professional that understood both the local market and our Bank’s pro-business culture, and someone who could help us project that culture through the new facility. Chris Schupp of NAI Robert Lynn helped us locate the perfect site for our building, and did an outstanding job for us throughout the entire negotiation process.”

Brad Durham  
President
