

NAI Robert Lynn recently negotiated a favorable lease in Fort Worth on behalf of Outreach Health Services.

“Our lease renewal was for exactly the right amount of space at exactly the amount I wanted to pay. In addition, we saved a significant amount of money by not having to move.

I was very pleased with NAI Robert Lynn’s professionalism, communication, hard work, and ability to get the results I desired. I will certainly call on them again in the future when the need arises, and I strongly recommend their services.”
